To,

The Resolution Professional

Metalyst Forgings Limited

1. We have reviewed the accompanying statement of unaudited financial results of **Metalyst Forgings Limited** (the "Company") for the quarter ended December 31st, 2022 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulation").
2. A Corporate Insolvency Resolution Process ("CIRP") had been initiated against the Company vide an order of Mumbai bench of the National Company Law Tribunal ("the Hon'ble NCLT") dated December 15, 2017 under the provisions of the Insolvency and Bankruptcy Code, 2016 (the "Code"). Pursuant to the Order, the power of the Board of Directors stands suspended and are exercisable by Mr. Dinkar Tiruvannadapuram Venkatasubramaniam, who was appointed as Interim Resolution Professional ("the IRP") by the NCLT vide order dated December 15, 2017. He was consequently confirmed as Resolution Professional ("the RP") by the Committee of Creditors ("the COC") in its meeting held on January 12, 2018. The members of the COC (vide the meeting held 18 May 2018) had authorized RP to file an application to the Hon'ble NCLT for extension of CIRP period by 90 days (i.e., from 180 days to 270 days) as per the Code.
3. As per the provisions of the Code, the COC had approved the resolution plan submitted by Deccan Value Investors L.P. (DVI) through e-voting process on August 24, 2018. Subsequently the plan was submitted to Hon'ble NCLT for approval as per the Code. DVI withdrew its application while the same was pending for approval from the Hon'ble NCLT. The said application was challenged by the COC and an appeal was filed with the Hon'ble NCLAT. However, the Hon'ble NCLAT dismissed the appeal vide its order dated February 07, 2020 and the matter is currently sub judice in Hon'ble Supreme Court of India. In the meanwhile, the CIRP is still going on under the provisions of Code. Accordingly, unaudited financial results for the quarter ended December 31, 2022 have been prepared on a going concern basis.

the CFO and RP. Our responsibility is to express a conclusion on the Statement based on our review.

5. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for the financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
6. Based on our review conducted as above and subject to the possible effects of the matter described in Basis of Qualified conclusions and Emphasis of Matter paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there-under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified conclusion

7. As per "IND AS 36 Impairment of Assets", the Company should assess at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the entity shall estimate the recoverable amount of the asset. Further as per "IND AS 109 Financial Instruments", the Company should recognize a loss allowance for expected credit losses on financial assets. Since the Company is still under the CIRP and the RP and the COC are in the process of finalization of successful resolution, the Company and the management has not determined value of these assets in use. Accordingly, we are unable to ascertain the possible effect of the same on the Statements.
8. As required under "IND AS 36- Impairment of Assets", the company has not done impairment testing on Property, plant and equipment having net block value of Rs 1,31,672.91 lakhs and Capital Work in Progress having closing value of Rs 13,947.34 Lakhs. We are informed by the management that since the company is under CIRP process, it is not possible for them to determine value in use and hence impairment testing has not been carried out. Accordingly, we are unable to ascertain the possible effects of the same on the Standalone Financial statements.
9. The company has not maintained fixed asset register. Accordingly, we cannot comment on accuracy of the value of Property, Plant and Equipment, current & Accumulated Depreciation and its possible impact on the financial statements.

10. Refer Note No. (8) to the financial results where it is mentioned that there is total VAT refund receivable of Rs 707.73 lakhs for FY 2014-15, FY 2015-16 and FY 2016-17 in the books of accounts. As per the Assessment orders received in January 2023 for these years, the refund amount is assessed at Rs 300.47 Lakhs. The company has not filed any appeal against the said orders. As represented by management the company is in the process of filing an appeal for reassessment. However, the company has not reduced the balance in books of accounts. Thus, the loss for the period is overstated to the extent of Rs 407.26 lakhs.
11. Certain current accounts having an aggregate balance of Rs. 44.82 Lakhs are not confirmed due to non-availability of confirmation as well as relevant bank statements from respective Banks. In absence of these details, we are unable to ascertain the possible impact on financial statements.
12. Balance of Trade receivables, Loans and Advances and Trade payables are subject to confirmations and consequent adjustments, if required. In absence of balance confirmations, financial impact on financial results is not ascertainable. As per the code the RP has to receive, collate and reconcile all the claims submitted by the creditors of the Company. Such claims can be admitted to the RP during the CIRP, till the approval of a resolution plan by the COC. The RP has verified and admitted the claims submitted by the creditors against the Company as per the Code. Pending finalization of resolution plan, the impact of such claims if any that also have not been considered in the preparation of the financial statements.
13. The Company has been continuously making losses. Its total liabilities have exceeded its total assets and consequently its net worth has fully eroded. The Company has been in the CIRP process under the Code since December 15, 2017 and till date no resolution has been arrived at. All these indicate the existence of material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, in view of the CIRP, the accounts have been prepared on a going concern basis [Refer Note 2 to financial results].
14. The company has prepared its financial statements following going concern assumption. The company has accumulated losses of Rs. 3,24,750.92 Lakhs and its net worth is fully eroded as per last audited financials of the company dated 31st March 2022. It has incurred net loss during such period amounting to Rs. 25,246.68 Lakhs. It is unable to repay its debts and meet other financial obligations/commitments. The application of Financial Creditors under section 9 of the Insolvency and Bankruptcy Code (IBC) had been admitted by Hon'ble National Company Law Tribunal ("NCLT"), Mumbai Bench. The company has been in the CIRP process under the code since December 15, 2017, and till date no resolution has been arrived at. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the financial statements.
15. We have not been provided with inventory records containing information related to inwards, outwards, consumption and closing stock in quantity as well as valuation of cost. We have been provided with physical verification reports of M/s SR MALU & Co. wherein there are qualifications regarding provisions required in valuation of inventory. In absence of these complete data, we cannot verify accuracy of cost of inventory. Furthermore, we cannot ascertain whether the cost of inventory is stated at lower of cost or NRV and possible impact on the financial statements.
